

COMPANY PROFILE

ULTRA LUXURY EDITION

WHO WE ARE

Abraaj by Wafaa is a Luxury Interior Design House delivering refined designs and fully managed execution experiences for high-end residential projects across the most prestigious compounds in Cairo and the North Coast.

We create spaces defined by quiet luxury, meticulous detailing, and elevated materiality that reflect our clients' lifestyles and give every project its own distinctive character.

OUR PHILOSOPHY

We believe real luxury lives in the details. We design spaces that balance elegance, comfort, and harmony—where every material, line, and lighting choice is carefully curated to deliver a timeless result that remains beautiful for years.

OUR APPROACH

TAILORED LUXURY

Every project is treated as a unique case—designed from scratch around the client's lifestyle, needs, and vision.

DETAIL-ORIENTED EXECUTION

From material selection to the finest finishing elements, we work with trusted suppliers and expert craftsmen to ensure exceptional quality.

SEAMLESS EXPERIENCE

We manage the entire journey — from concept to full execution — delivering an effortless and organized experience for the client.

HARMONIOUS SPACES

Calm tones, clean lines, and balanced compositions are the foundation of every design we deliver.

OUR SERVICES

1- LUXURY INTERIOR DESIGN

Refined, functional, and aesthetically elevated design solutions for premium residential spaces.

2- INTERIOR ARCHITECTURE

Spatial planning and architectural enhancements that optimize flow, usability, and visual balance.

3- FULL PROJECT EXECUTION

End-to-end execution using high-quality materials to ensure a final outcome that reflects our design vision to perfection.

4- FURNITURE & DÉCOR STYLING

Curated furniture and décor selections that complete and elevate the overall atmosphere and identity of the space.

5- TURNKEY SOLUTIONS

Fully integrated solutions — from design to final delivery — ideal for clients seeking a complete, stress-free transformation.

OUR SIGNATURE STYLE

THE SIGNATURE AESTHETIC OF ABRAAJ BY WAFAA IS DEFINED BY:

- Quiet, understated luxury
- Premium materials including natural stone, fine woods, and refined metals
- Soft, cohesive color palettes
- Warm, dynamic lighting that enhances depth and dimension
- Balanced compositions that create spacious, comfortable environments

The result: spaces that feel like art — yet are designed for everyday living.

WHY ABRAAJ BY WAFAA?

WHY CHOOSE US?!

- Strong expertise in providing comprehensive retail space solutions inside major Saudi hypermarkets.
- Ambitious and strategic expansion plans across the Middle East to strengthen our regional presence.
- Quality and on-time delivery are core standards that define our commitment to clients.
- The only company offering porcelain staircases instead of traditional marble, providing an innovative solution that blends durability, elegance, and cost efficiency.
- We offer full finishing services for offices, corporate spaces, and administrative units with high professional standards.
- Expertise in selecting color palettes that perfectly match furniture, décor, and the client's personal taste—while also creating unique, custom colors that harmonize with the overall ambiance of the space.
