

Golden Blocks

BUILDING WITH VISION

01

WHO WE ARE ?

We are the Golden Block General Contracting Company, The company was established in 2012 AD and gained prominence and distinction among companies with the testimony of banks and financial financing companies, the integrity of dealing with all sectors, and the trust of customers. We have many contracts with banks, and the company has specialized since its inception in various contracting works.

02

OUR MISSION

Golden Block Co. is laying the foundation for the adoption of a modern, customer-focused concept of leadership in the construction and contracting sectors with every day that it works. Every customer receives outstanding value and quality that goes above and beyond their expectations, regardless of the type of project we are working on.

03

OUR VISION

We are the Golden Block General Contracting Company, The company was established in 2012 AD and gained prominence and distinction among companies with the testimony of banks and financial financing companies, the integrity of dealing with all sectors, and the trust of customers. We have many contracts with banks, and the company has specialized since its inception in various contracting works.

04

QUALITY & SAFETY POLICY

The two elements of quality and safety are among our priorities that we cannot be complacent about, as we have been providing contracting work for many years, and we are working to improve quality in all our work and build excellent quality and safety that keeps pace with the continuous challenges and is in line with the requirements of different customers.
